Title of Manuscript: \_\_\_\_\_

Author(s): \_\_\_\_\_

1- This is to confirm that:

- a) The manuscript submitted has been prepared according to the journal's 'Instructions for Authors', and checked for all possible inconsistencies and typographical errors.
- b) On submission of the manuscript, the authors agree not to withdraw the manuscript at any stage prior to publication.
- c) Financial contributions to the work being reported are clearly acknowledged, as are any potential conflicts of interest.

2- The names and affiliations of four referees which *Bentham Science Publishers (BSP)* in short may decide to consult for the evaluation of the manuscript are listed below.

(Any suggested peer reviewers should not have published with any of the authors of the manuscript within the past five years and should not be members of the same research institution. Suggested reviewers will be considered alongside potential reviewers identified by their publication record or recommended by Editorial Board members).

**3- Copyright and License Agreement**

For the submission of an 'article' to “Recent Patents on Telecommunications”, I hereby certify that:

1. I have been granted authorization by my co-authors to enter into these arrangements.
2. I hereby declare, on behalf of myself and my co-authors, that:
  - a. The article submitted is an original work and has neither been published in any other peer-reviewed journal nor is under consideration for publication by any other journal. More so, the work has been carried out in the authors’ lab and the article does not contravene any existing copyright or any other third party rights.
  - b. I am/we are the sole author(s) of the article and maintain the authority to enter into this agreement and the granting of rights to BSP does not infringe any clause of this agreement.
  - c. The article contains no such material that may be unlawful, defamatory, or which would, if published, in any way whatsoever, violate the terms and conditions as laid down in the agreement.
  - d. I/we have taken due care that the scientific knowledge and all other statements contained in the article conform to true facts and authentic formulae and will not, if followed precisely, be detrimental to the user.
  - e. I/we permit the adaptation, preparation of derivative works, oral presentation or distribution, along with the commercial application of the work.
  - f. No responsibility is assumed by BSP, its staff or members of the editorial board for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products instruction, advertisements or ideas contained in a publication by BSP.

**Copyright:**

Authors who publish in any BSP print & online journal will transfer copyright to their work to BSP. Submission of a manuscript to the respective journals implies that all authors have read and agreed to the content of the Covering Letter or the Terms and Conditions. It is a condition of publication that manuscripts submitted to this journal have not been published and will not be simultaneously submitted or published elsewhere.-Plagiarism is strictly forbidden, and by submitting the article for publication the authors agree that the publishers have the legal right to take appropriate action against the authors, if plagiarism or fabricated information is discovered. By submitting a manuscript the authors agree that the copyright of their article is transferred to the publishers if and when the article is accepted for publication. Once submitted to the journal, the author will not withdraw their manuscript at any stage prior to publication.

**License Grant:**

Copyright to the above work (including without limitation, the right to publish the work in whole, or in part, in any and all forms) is hereby transferred to BSP, to ensure widest dissemination and protection against infringement. No proprietary right other than copyright is proclaimed by BSP.

**Under the Following Conditions: Attribution:**

- The services of the original author must be acknowledged;
- In case of reuse or distribution, the license conditions must be clarified to the user of this work;
- Any of these conditions can be ignored on the consent of the author.

**CERTIFICATION AS A WORK OF THE US GOVERNMENT**

I certify that this work is a “work of the US Government” prepared by the authors who are or were bona fide officers or employees of the US Government at the time of preparation of this document; therefore, it is not subject to US copyright. (This section should not be signed if the work was prepared under a government control or coauthored by a non-US Government employee).
