EMIDDT is now the Official journal of Associazione Medici Endocrinologi (AME)

AIMS & SCOPE
This journal is devoted to full-length/ mini reviews and original articles of experimental and clinical studies in the field of endocrine, metabolic, and immune disorders. Specific emphasis is placed on humoral and cellular targets for natural, synthetic, and genetically engineered drugs that enhance or impair endocrine, metabolic, and immune parameters and functions. Moreover, the topics related to the effects of food components and/or nutraceuticals on the endocrine-metabolic-immune axis and on microbiota composition are welcome.

Benefits to the Society Members:

✔ Discounts on EMIDDT Open Access publication fees to AME Members
✔ A dedicated conference proceeding issue each year for the AME conference
✔ A 50% discount on a personal subscription to EMIDDT to AME members
✔ An Annual Prize awarded by Bentham Science for the best poster presentation to young scientists who are members of AME
