

Special Thematic Issue for the journal Current Nanomedicine

Title of the Thematic Issue:

Translational Nanomedicine: From Fundamental Science to Innovations

*Guest Editors: Luciano Castillo,
Purdue University, West Lafayette, IN 47907, United States*

• **Scope of the Thematic Issue:** In this special issue honoring the unique contributions of Dr. Victor Castano, we seek to bring contributions integrating Nano-materials and respective innovations related to medicine. We would like to also bring contributions related to COVID-19 and possible innovations as they relate to medicine.

Keywords: nanomaterials, medicine, innovations, COVID-19, pandemics, modeling, experiments, simulations.

Sub-topics:

The sub-topics to be covered within the issue should be provided:

- Nano-materials and innovations in medicine
- Nano-materials & COVID-19
- Nano-materials, Simulations and Medicine
- Modeling & Experiments in COVID-19
- Big Data & Simulations

List of Potential contributors:

- 1.-Prof. Federico Rosei, Institute National de la Recherche Scientifique, Canada (rosei@emt.inrs.ca)
- 2.-Prof. Cosimo Carfagna, Istituto per i Polimeri, Compositi e Biomateriali (IPCB)-CNR, Italy (cosimo.carfagna@ipcb.cnr.it)
- 3.-Prof. Marino Lavorgna, Universita di Napoli, Italy (mlavorgn@unina.it)
- 4.-Prof. Olivia Graeve, University of California San Diego (ograeve@eng.ucsd.edu)
- 5.-Prof. Witold Brostow, University of North Texas (brostow@unt.edu)
- 6.-Prof. Russell Chianelli, University of Texas El Paso (chianell@utep.edu)
- 7.-Prof. Ivan Santamaria-Holek, Universidad Nacional Autonoma de Mexico (isolek.fc@gmail.com)
- 8.-Prof. Diego Mantovani, Universite Laval, Canada (diego.mantovani@gmn.ulaval.ca)
- 9.-Dr. Laura Acosta, Universidad Nacional Autonoma de Mexico (lacosta@enes.unam.mx)
- 10.-Dr. Ventura Rodriguez, Universidad Autonoma del Estado de Hidalgo (venturar165@gmail.com)
- 11.-Dr. David Fajardo, Das Deutsche Zentrum für Hochschul- und Wissenschaftsforschung, Germany (davguifaj@gmail.com)
- 12.-Dr. Ana Laura Martinez, Instituto Tecnologico de Queretaro (almh72@gmail.com)
- 13.-Dr. Carlos Velasco Santos, Instituto Tecnologico de Queretaro (cylaura@gmail.com)
- 14.-Ms. Ariadna Rios, Nanocoatings Technologies (arios@nctmexico.com.mx)
- 15.-Dr. Rodolfo Palomino, Benemerita Universidad Autonoma de Puebla (palomino@fcfm.buap.mx)
16. Drs. Ali Doosttalab, Richard Voyles, Ernest Blatchley, Tanya Pur, Luciano Castillo, Victor Castano. Purdue University. (adoostta@purdue.edu)
17. Dr. Carsten Westergaard, Westegard Solutions, (cw@westergaardsolutions.com)
18. Antonio Esquivel, Victor Castano, Luciano Castillo, Purdue University. (Lcastillo@purdue.edu).
19. Dr. Carlos Cabrera, University of Puerto Rico- Rio Piedras. (carlos.cabrera2@upr.edu).

20. Dr. Ana Guadalupe, University of Puerto Rico- Río Piedras. (ana.guadalupe1@upr.edu).
21. Dr. Ajay Malshe, Purdue University. (amalshe@purdue.edu)
22. Drs. Laura Villafane, Leonardo Chamorro. University of Illinois-Urbana-Champaign. (lvillafa@illinois.edu)
23. Sean Garrick, University of Illinois-Urbana-Champaign. (sgarrick@illinois.edu)
24. Dr. Fazle Hussain, Texas Tech University. (Fazle.Hussain@ttu.edu)
25. Dr. David Suleiman, The University of Puerto Rico-Mayaguez. (david.suleiman@upr.edu)
26. Dr. David Warsinger, Purdue University. (dwarsing@purdue.edu)
27. Dr. Ubaldo Cordoba. University of Puerto Rico-Mayaguez. (ubaldom.cordova@upr.edu)
28. Dr. Arquimedes Ruiz. Texas Tech University. (Arquimedes.Ruiz-Columbie@ttu.edu)
29. Phil Sizer. Texas Tech-Medical Center. (Phil.Sizer@ttuhsc.edu)
30. Dr. Silvina Cancelos. University of Puerto Rico-Mayaguez. (silvina.cancelos@upr.edu)
31. Dr. Anastasios “Taso” Angelopoulos. University of Cincinnati. (angeloas@ucmail.uc.edu)

Schedule:

- ✧ Thematic issue submission deadline:
